Dear Vicky and Michael:

Attached please find the results of our review of the policies and procedures (P&Ps) that were submitted in support of the Verified-Accredited Wholesale Distributors<sup>CM</sup> (VAWD<sup>CM</sup>) reaccreditation process. Please note, the format has been updated, listing only the particular aspects of the criterion that appears to be missing from the P&Ps.

Please review the attachment. A member of National Association of Boards of Pharmacy® (NABP®) will contact you within the next week to ensure that your next steps are clear. We will also make available to you a person that can answer technical questions.

After discussing the next steps with NABP and then completing the form, please e-mail that document and any revised P&Ps to [vawd@nabp.net](mailto:vawd@nabp.net). Please respond to all action items within **30 days** in order to move forward. Note that some applicants have found it useful to turn to consultants for assistance in crafting P&Ps for their company. This is acceptable. If you need additional time to address the action items, please let us know as soon as possible. If additional time extensions are required, NABP may assess an administrative fee.

Upon completion of the review you will be informed of the status.

Cordially,  
Lisa M. Pugliese
